

My Story

Hi! I'm Juliana, a passionate animal lover who is dedicated to providing top-notch dog care. Inspired by my own fur babies, I created Vows & Paws to offer safe, fun spaces for dogs to thrive. Services include dog daycare, boarding and Dog Chaperone Services for your special day.

You can be sure that your dog will receive love and attention, allowing you to concentrate on creating your own lasting memories. Let me play a part in making your day uniquely tail-waggingly special!
